As part of the City Government's effort to mitigate the spread of COVID-19, ALL CINEMAS in Angeles City are hereby directed to temporarily close their operations starting on March 16, 2020 until further notice.

The poster features three circular logos at the top: the Angeles City logo (red background with white text), the official seal of Angeles City (blue and white design with the year 1964), and the seal of the City Government of Angeles City (yellow and red design). Below the logos, the text "Office of the Mayor" is written in a small font. Underneath that, "ANGELES CITY" is written in large, bold, white capital letters. A prominent yellow horizontal band across the middle contains the word "ADVISORY!" in large, bold, black capital letters. Below this band, the main message is presented in a stylized, italicized font: "As part of the City Government's effort to mitigate the spread of COVID-19, **ALL CINEMAS in Angeles City** are hereby directed to **temporarily close their operations starting on March 16, 2020 until further notice.**" At the bottom of the poster, there is a red banner with a heart icon and the name "MAYOR CARMELO 'POGI' LAZATIN, JR." in white text.
